WHY PARTNER WITH CONCRETE FAIR

- **Visibility on the main stage, across campus and on Instagram**, in front of students, faculty and industry professionals.
- **Present your company directly to future engineers** through stage presentations and live product demonstrations.
- **Meet students face to face** at your exhibition stall across both days of the fest.
- Associate your brand with an established technical platform, now in its 13th edition and run with the Indian Concrete Institute.
- Reach 5,000+ aspiring civil engineers from institutions across the country.
